Instructions:

Read a science related book.

You should be able to stand up and talk about your book for 3 to 5 minutes. You may use flash cards on oral book report if you feel the need. Show the cover of your book on the doc cam while presenting. A photo copy of the book cover should be submitted to teacher prior to presentation. An image from an online book distributor (Amazon, Barnes and Noble, etc.) may be copied if you do not have the book in your possession any longer. Follow the rubric above for full credit.
