Notes:

Provision of end-of-course (EOC) tests requires legislative action to allow use of EOCs instead of comprehensive tests in high school.

FT – Field test administration only; EOCs will be field tested in a sample of high schools only.

B – Baseline administration; a scale score will be reported; no developmental score or achievement levels will be available.

SS – Standards set; developmental scores, achievement levels, and passing scores will be reported for the first time.
