

Human Biology Symposium: May 10 - 12, 2004

Biology Honors Group Signup Sheet

- Students will work in groups of 2 or 3.
 - Include a title page with chapter title, date of presentation, and group member's names.
 - Teams are to research the chapter and make either a web page or PowerPoint presentation explaining the important facts.
 - Save presentation to a disk, or CD (email okay) and submit to Mrs. King **2 days** prior to due date. Also print a hard copy of presentation and submit on due date.
 - Presentations should be 10-15 minutes in length.
 - Include one model as an example of the system you are explaining (paper, clay, plastic, etc).
 - Each presentation *must* contain a works cited/resource page.
-
